

**FARMERS OF ORANGE NC**  
**MARKET RULES AND REGULATIONS (Mar 12, 2017)**  
**GENERAL RULES**

**Market Hours**

The Saturday market operates from 8:00 a.m. to noon during the main season and 9:00 a.m. to noon during the winter season.

The Tuesday market operates from 3:00 p.m. to 6:00 p.m. from spring to mid-October. Tuesday market hours change to 3:00pm to 5:00pm after Daylight Savings time. All Saturday market rules apply. Additionally, no selling is allowed before the Tuesday market start time.

**Absences**

Notice of Saturday market absence must be made 24 hours before the market starts or the member will be charged the space fee for that week. Reserved spaces will be held until 30 minutes before the start of market.

**Membership Fee**

The current annual Membership fee is \$100.

*For returning Members*, this fee, along with outstanding fees from the previous year, must accompany the Returning Member Application for the upcoming year and be received on or before December 31. Failure to submit the Returning Member Application and fees by this date will be treated as a resignation from the market. **Late applications will not be accepted.**

**Eligibility to Sell at Tuesday Market**

All Members approved to sell at the Saturday market are also eligible to sell at the Tuesday market. The Board of Directors may, at its discretion, approve new applicants to sell at the Tuesday market only, without granting the right to sell at the Saturday market.

**PRODUCT RESTRICTIONS**

**No Buying and Reselling**

Members must be the original producer of all items. This applies to both direct sales and all products delivered by a member to customers at market pursuant to prearranged sales (pre-orders, CSA shares, buying club shares, restaurant sales, etc.). If a CSA is a joint effort of two or more producers, all must be Members, all must be present at market during delivery, and the collaborative CSA must be approved by the Board of Directors in advance of the first delivery. Pick up of all prearranged sales must be during market sale hours.

**Definitions of Spaces**

a. **Reserved Space:** Returning Members have the right to a "reserved" space, which is chosen at the annual meeting according to the process detailed in these rules. A returning member may keep their reserved space OR reserve a new space from any non-reserved/open space available. Choice of reserved spaces is determined by seniority, which is determined by cumulative Saturday market attendance since April 5, 2008. Attendance at the Tuesday market does not affect seniority for Saturday market nor does attendance at the Saturday market affect seniority for the Tuesday market. Seniority for the Tuesday market accrues separately, and is cumulative from May, 2009. Any lapse in membership results in the loss of accrued seniority.

b. **Assigned Space:** New Members are assigned a space by the board based on what remains after returning Members have made their choices. These are called "assigned" spaces.

c. **Allocated Space:** The Market Manager allocates weekly spaces for any given market. Reserved and assigned spaces are kept in relative proximity to each other. The Market Manager, on a weekly basis, allocates specialty vendors a space.

**Space Selection Process**

**FARMERS OF ORANGE NC**  
**MARKET RULES AND REGULATIONS (Mar 12, 2017)**  
**GENERAL RULES**

At the annual membership meeting, returning members have the right to reserve or maintain a space in the market layout.

In market years when a new layout has been created, returning members choose spaces from an open map in order of seniority. This first year is considered a trial year and spaces will not actually be reserved the following year.

In the second year of a new layout, the map is cleared and returning members again choose spaces in order of seniority. These spaces are considered reserved.

In the third and subsequent years of a layout the process is as follows:

Returning members with reserved spaces choose to either maintain their reserved space or select a new space. Members maintaining their spaces are left on the map.

Then the returning member with highest seniority who has not maintained a reserved space chooses a new space.

**Market Layout**

The board of directors determines the overall layout of the spaces of the market. When needed, the board may create a new layout for a new market year.

The board and market manager may make minor changes to a layout during the market year in order to improve customer traffic flow, space for special events, etc.

Saturday and Tuesday market layouts are treated separately in design and in member space selection.

**Double Spaces**

The Board of Directors prefers for each member to have one space. The Board will consider a double space for a full Member, if there is available space in a given week. Use of a double space assignment is limited to 12 weeks per member during the market year.

Members are offered double spaces by the Market Manager as spaces are available each week. Offers of a double space will be made to maximize opportunity for all Members considering the following: space availability, seniority, demonstrable need, and frequency of use. This process is done separately for each side of the market.

**Vehicles at Market**

The market closes off incoming traffic 30 minutes before market start time. No further traffic will be allowed into the market area after that time. If arriving less than 30 minutes before the start of the market, Members must park outside the market area and carry in their items. Members arriving after the market start time will not be allowed to set up. Exceptions are granted at the Market Manager's discretion.

**Inclement Weather Policy**

For the safety of yourself and our customers: If, during market, the weather makes you feel unsafe (i.e. hail, lightning, etc) feel free to pack up and take shelter in your vehicle or the mall until market is over, at which point you can then safely move your vehicle.

**Canopies**

**FARMERS OF ORANGE NC**  
**MARKET RULES AND REGULATIONS (Mar 12, 2017)**  
**GENERAL RULES**

Members must use a 10' X 10' canopy at their space adequately secured with weights. Members who lose control of their canopy will not be allowed to return without an improved method of securing the canopy.

**Size of Space**

All Members' products should be within their canopy space. Large product displays or signs that extend into the customer traffic are not allowed.

**Market Presence**

Members must maintain a positive market presence for the entire market. Members may not take down their canopies or move vehicles out of the market area during market hours. Members may not leave prior to closing time. All exceptions are to be at the Market Manager's discretion.

**Etiquette at Market**

Vendors are expected to act in a courteous and respectful manner towards customers, other vendors, and the market manager.

Complaints regarding rule violations or the general activities of the farmers' market should be made in writing to the market manager or a board member or in person during a regular scheduled board meeting.

**Cleaning up**

Each Member is responsible for cleaning up the area around his/her selling space.

**No Smoking in the Market**

While staffing your space, a 'No Smoking' policy must be strictly observed.

**Displaying Prices**

Prices must be clearly posted for all items sold.

**Certified Scales**

Members may use only certified scales. If uncertified scales are used, the member will be barred from selling for the remainder of that market and will not be permitted to return to market until certification is documented.

**No Pets**

Members and customers are prohibited from bringing pets to the market. This does not apply to service animals.
